Location
Board Room, 201 N. Douglas Street, El Segundo

Da Vinci Schools ("DV") welcomes your participation at its Board meetings. The purpose of a public meeting of the Board of Directors ("Board") is to conduct the affairs of DV in public. Your participation assures us of continuing community interest in our schools. To assist you in speaking at/participating in our meetings, the following guidelines are provided:

1. Agendas are available to all audience members at the door to the meeting. Some meeting materials are also posted on the schools' website (http://www.davincischools.org/people/board-of-trustees/board-meetings/), or you may see Alison Wohlwerth in the schools' business office, or contact her at (310) 725-5800 or awohlwerth@davincischools.org.

2. "Request to Speak" forms are available to all audience members who wish to speak on any agenda items or under the general category of "Public Comments," which is time set aside for members of the audience to raise issues not specifically on the agenda. However, due to public meeting laws, the Board can only listen to your issue, not respond or take action. These presentations are limited to three (3) minutes and total time allotted to non-agenda items will not exceed fifteen (15) minutes. Non-English speakers who use a translator shall have six (6) minutes in which to address the Board.

3. The Board may give direction to staff to respond to your concern or you may be offered the option of returning with a citizen-requested item.

4. The chair will recognize such individuals who wish to speak on a specific agenda item at the appropriate time. When addressing the Board, speakers are requested to state their name and adhere to the time limits set forth.

5. Any public records relating to an agenda item for an open session of the Board which are distributed to all, or a majority of all, of the Board members shall be
available for public inspection at 201 N. Douglas Street, El Segundo, CA 90245, during Business Office operating hours.

Consent Agenda: All matters listed under the consent agenda are considered by the Board to be routine and will be approved/enacted by the Board in one motion in the form listed below. Unless specifically requested by a manager for further discussion or removed from the agenda, there will be no discussion of these items prior to the Board votes on them. The Chief Executive Officer recommends approval of all consent agenda items.

The agenda and documents in the agenda packet will be made available, if requested, in appropriate alternative formats to any person with a disability as required by the Americans with Disabilities Act (ADA), 42 USC section 12132, and the federal rules and regulations adopted in implementation thereof. To request a disability-related modification or accommodation, including auxiliary aids or services, you must contact Alison Wohlwerth at 310-725-5800 or awohlwerth@davincischools.org at least 48 hours before a regular meeting, and at least 12 hours before a special meeting. II. Information

A. From the Board
Mr. Bañuelos spoke about looking forward to tonight's Science Exhibition.

Dr. Brann spoke about the lack of cell phone coverage in the new building. He would like a Wiseburn and a Da Vinci extension directory. Dr. Wunder gave an update on the issue. Wi-fi calling is an option, but it requires people to turn it on individually on their cell phone. The other option is to use microcell towers for each phone carrier. The Da Vinci Schools IT Director is working towards a solution.
Dr. Brann talked about attending the Youth & Government event in Sacramento. He was very impressed with the students' work. Da Vinci Science students took part; and there were students there from all over California. Dr. Brann also mentioned how people whom he has taken through the building have been very impressed with not just the building, but the programs.

B. From the CEO
Dr. Wunder talked about attending the CCSA convention in San Diego with Dr. Brann. He said that in the next few months, he'll be bringing forth some options with the help of Procopio and Board on Track. He also spoke about the fact that RISE High looks like it will not need to remain an LLC; it will remain its own LEA.
