9. Gymnasium Use Schedule

Notwithstanding any other provisions of this policy, the first priority for gym usage will be driven by the facilities needs of the Wiseburn-Da Vinci Athletic Program. The second priority will be other gym facilities needs of Da Vinci Schools and Wiseburn Unified School District. Other gym usage may be made available to outside groups for direct costs or market value costs. Priority for outside groups will go to sports programs for school-age youth.

Da Vinci Schools plans to continue to work with these proven programs in scheduling for the Wiseburn High School Gym. Clubs and programs with an established relationship with the district will be asked to submit proposals for gym usage. Priority will be given to those who can commit to weekend times for gym use, which is when the majority of times will be available. The gym will be divided into three areas, each with two volleyball courts or one basketball court. Once current clubs and programs have had an opportunity to submit proposals, other groups will be considered for remaining time spaces. Scheduled calendar time, once established, will remain ongoing from year to year, except where it conflicts with the needs of the school programs.

Special consideration may also be provided for local youth programs that directly serve to support the Wiseburn-Da Vinci Athletics Program. A club or program will be considered in this category if at least 80% of the participants are attending Da Vinci Schools, Wiseburn residents and/or students in the Wiseburn district. To qualify, rosters of participants must be submitted and verified. Programs in this category may be provided priority in scheduling, as appropriate.
