From the Managers
Mr. Mora said that testing of the full fire system at the new building will be done today. The individual systems have been tested, but today they will test the entire system at once. The results will determine move-in day. Amazing progress has been done.

Dr. Brann directed CEO Wunder to notify the Da Vinci Board should the fire/life/safety check prove to be successful and the WUSD Board indicates that WHS is ready to occupy so the Da Vinci Board can make a decision on move-in date.

Dr. Brann said that the intersection of Douglas Street and Utah is dangerous and will require the City of El Segundo’s traffic division’s evaluation. Mr. Mora said that he has spoken to the City, and they are aware that intersection needs a traffic light.
RISE High enrollment was discussed; Ms. Croft said there are now 80 students enrolled at RISE High. Mr. Bañuelos thanked Ms. Croft for her hard work. Ms. Croft credited the RISE High office manager, saying she is working very hard to get the enrollment numbers up.

**From the CEO**

Dr. Wunder spoke about the RISE waiver before the state Board and the current political landscape surrounding charter schools and school districts. Dr. Wunder credited Dr. Johnstone’s work in keeping on top of the situation.

**Approval of Minutes**

The minutes of the Regular September 18, 2017 meeting were approved as follows.

Motion to Approve: Mr. Mora  Second: Ms. Morgan  Vote: 5-0-0

**Approvals:** 3 Items

Item #3 pulled for further discussion.

**Item #1: Revisions to the Da Vinci RISE High Parent Handbook.**

**Item #3: the Da Vinci RISE High Independent Study Policy.**

Items #1 and 3 approved as follows:

Motion: Mr. Mora  Second: Ms. Morgan  Approved: 5-0-0

**Item #2: Revisions to the Da Vinci RISE High Uniform Complaint Procedures.**

Discussion about how independent study affects ADA ensued. ADA is calculated based on the teachers’ records of attendance.

Item #2 approved as follows:

Motion: Mr. Bañuelos  Second: Mr. Mora  Approved: 5-0-0

**Financial Update**

Mr. Johnston of ExED presented the RISE High financial update. He said that the forecast he created was based on an enrollment of 72, and that the increased enrollment of 80 will be reflected in better numbers next month. Mr. Mayotte said that $1.2 million (of the XQ $2 million per year allotment) was spent in the first year. The remaining $800K will roll over to the next school year. Dr. Wunder said that RISE is receiving disbursements based on the school year. Mr. Mayotte said that $1 million (of the second year allotment) was received last month. He said that special education services are also a factor in the amount spent. Dr. Wunder mentioned the conscious decision to staff early on in order to have time to train those staffers. Ms. Croft said that up to 200 students could be handled with the current staff of 15. Partners’ mental health staffing also helps spread the caseload.
Ms. Morgan asked if the check register is a normal part of Board oversight. She thinks it’s too much information. Mr. Mora agreed. He and Mr. Bañuelos would rather see a running total or expenditures or general summary. Mr. Mayotte said that legal counsel recommended the Managers approve a dollar threshold for approvals of purchases and contracts, etc. Dr. Brann asked that it be provided for approval at next month’s meeting.

Ms. Morgan asked if legal counsel has been consulted on insurance coverage for the ride sharing service Hop, Skip, Drive. Dr. Brann asked why the service is needed. Ms. Croft said that there are a few students who don’t have other transportation and/or cannot take public transportation. The Managers asked for legal counsel’s review on insurance for this service.

**Closed Session – not needed**
