Technology

GENERAL UPDATE ON THE CURRENT STATUS OF SCHOOL TECHNOLOGY AND PLANS TO IMPROVE DEFICIENCIES.

- We are doing everything we can in an ever-changing situation to provide our students with the communication and support they need. We will be utilizing platforms such as Google Classroom to keep things streamlined and students on task. Technology will be provided for students who do not have access to a computer at home.

WHAT TOOLS AND TECHNOLOGY WILL THE SCHOOL OFFER IF CLASSES WITH BE TAKING PLACE ONLINE? WILL THE SCHOOL SEND HOME COMPUTERS AGAIN?

- Laptops will be available for pickup for students who are enrolled at Da Vinci and do not have access to a computer at home and Google Classroom will be used for simulating the class environment.

WHAT TYPE OF SUPPORT WILL CHILDREN HAVE?

- Technical support will be provided via email and on site appointments.

Hardware & Software

WHAT SOFTWARE AND HARDWARE IS NEEDED? HOW CAN THE SCHOOL HELP RESOLVE BANDWIDTH ISSUES? WILL THERE BE COMPUTER LABS OPEN FOR STUDENTS WHO LACK RESOURCES?

- A computer capable of making video calls is necessary for this learning environment. All software will be web based unless otherwise noted. We will provide laptops for pickup if a student does not have access to a computer at home. There are currently no plans to have a lab open on campus.

WHAT PROGRAMS WILL STUDENTS HAVE ACCESS TO?

- As far as software, students will have access to the Microsoft Office Suite and Google online based applications. More specific software will be provided depending on the classes that the student is enrolled in.

Google Classroom

QUESTIONS

- Which online learning portal (*i.e.*, Blackboard, Canvas) will Da Vinci be using to centralize remote learning?
- What will keep students on track with assignments? Will there be any new platforms to master?

RESPONSE

- Everything will be centralized through Google Classroom which gives a detailed view of:
- Online learning portal
 - Upcoming assignments
 - Reminders
 - Communication between teachers and students

Privacy

COMING WITH A MORE SECURE WAY TO PROTECT THE STUDENTS PRIVACY, INSTEAD OF USING THEIR REAL NAMES FOR THEIR EMAIL. OTHER SCHOOL DISTRICTS HAVE ASSIGNED NUMBERS (LIKE A MEDICAL RECORD NUMBER) TO PROTECT OUR STUDENTS IDENTIFY, ESPECIALLY BECAUSE THE SCHOOL IS USING SUCH A LARGE PLATFORM AS GOOGLE CLASSROOM, AS WELL AS OTHER SOFTWARE PROGRAMS.

Thankfully our infrastructure is not accessible from outside accounts. The only users who will be able to see student email accounts are other members of Da Vinci.

Face Coverings

Students and staff will be required to wear face coverings while at school.

Cleaning of Gym/Athletic Facilities

- Increased cleaning, sanitizing and disinfecting.
 - High touch frequencies
 - Whole school
 - Timing (how long it takes)
 - Teachers participating
 - Micron Disinfection ULV fogging & electrostatic spraying
- Increased touchless hand sanitizer stations.
- Regarding ventilation and air systems, HVAC systems and ensure filters are and will be routinely changed according to manufacturer standards.

Sports in 2020-2021

WILL SPORTS BE RETURNING?

- All sports for all seasons will depend on current guidelines regarding health, safety and athletics.
- Can be different from one county to another, and from one section to another.

WHICH SPORTS WILL BE OFFERED?

- Fall: Cross Country, Girls Volleyball
- Winter: Boys/Girls Basketball, Boys/Girls Soccer
- Spring: Boys/Girls Track, Boys Volleyball, Softball, Baseball, Swimming (Co-ed)
- 2021-2022 School Year: Water Polo (planned)

Athletics Staff

INTERESTED TO SEE HOW REALISTIC IT IS THAT SPORTS WILL CONTINUE THIS YEAR. WOULD ALSO LIKE AN UPDATE OF OVERALL PROGRAM AND WHAT COACHES ARE STILL INVOLVED WITH WHICH TEAMS.

- The reality of sports taking place this year is constantly changing. LA County might be in worse shape than other counties in terms of allowing for athletics.
- All coaches are returning except for Boys Varsity Soccer Head Coach.
- Tiered stipend for coaches also being explored:
 - Tier 1, conditioning and practice only
 - Tier 2, participation in CIF athletic competitions

WHO IS THE NEW ATHLETIC DIRECTOR?

- Currently finalizing revised job description and tiered stipend/salary.
- Preparing to fly position week of July 13th for one to two weeks max.

Practice & Game Schedules

HOW WILL PRACTICE AND GAME SCHEDULES LOOK LIKE IN 2020-2021?

Very likely to change quickly & often.

- Currently, practices are allowed with limited participation.
- Pre-workout health screenings required before each practice and game.
- Game schedules will be determined in collaboration with participating schools.
- New scheduling program Facilitron and new recommendations for athletics website (Ethan Barragán & Ryan Simpson, Class of 2020)

CIF Guidelines

QUESTIONS

- What is the latest news with CIF regulations?
- I know guidance from the CIF will determine much of what we do but I hope that if CIF allows for sports competition that we follow that plan and allow our students to engage in athletic events. Regardless of CIF competition, can our students still train, even if through zoom, so they can develop their conditioning?
- What new protocols will be needed?

RESPONSE

- Latest guidelines released June 12th for physical activity/training.
- CIF Survey for Schools and Districts completed and submitted by Da Vinci Schools on July 8th.
- State CIF announcement expected on or before July 20th. Da Vinci Schools will follow CIF guidelines.
- Da Vinci Schools will participate according to CIF and Public Health guidelines, incorporating any new protocols, as needed (*e.g.*, sharing & cleaning of equipment, social distancing, use of face coverings, modification to sports, etc).
- In-person and remote opportunities for training/conditioning are being explored.

Extracurricular Activities

WILL THEY ALLOW SOCCER CAMP NEXT SUMMER BEFORE TRYOUTS (LIKE MANY OTHER SCHOOLS)?

- Depends on current guidelines in place for next summer and the Athletic Director and coaches' guidance.

WILL THERE BE ANY EXTRACURRICULAR ACTIVITIES FOR THE CHILDREN?

- The use of outdoor spaces is being looked into for planning extra-curricular activities for students following all required guidelines.
- Logistical matters such as supervision, social distancing and sharing and cleaning of equipment must be considered.

Health & Safety

HOW CAN ATHLETICS BE DONE SAFELY? WHAT ARE THE PLANS?

- All mandated health and safety guidelines will be implemented specific to all sports, including track. Coaches and coaching staff will be trained accordingly

HOW WILL YOU KEEP STUDENTS SAFE WHEN COMPETING WITH OTHER SCHOOLS?

- Communication between schools and athletic directors that they are implementing required health and safety guidelines as well.

• WILL PARENTS BE ABLE TO WATCH EVENTS?

- Depends on the “3-phase” guidelines of the CIF and the County.
