DESCRIPTION:

A Local Control and Accountability Plan (LCAP) is designed as a comprehensive planning tool to support student outcomes and is an important component of the Local Control Funding Formula (LCFF). Under the LCFF, Da Vinci Design is required to prepare an LCAP, which describes how we intend to achieve the annual goals for all students, with specific activities to address the state and local priorities identified pursuant to sections 52060 (d), 52066 of the California Education Code (d) and 47605.

Public comment is invited on the LCAP draft presented at the June 22nd, 2022, Public Hearing. To view a copy of the document, please contact Alison Wohlwerth ([awohlwerth@davincischools.org](mailto:awohlwerth@davincischools.org))

At the June 22, 2022, Da Vinci Schools Board meeting, the Board will take action on the recommendation for approval.
