Intra-School Transfer Requests

- ❖ We have a **very limited** number of openings for current students seeking to transfer from one Da Vinci school to another for the 10th, 11th and 12th grades.
- ❖ Before accepting an offer of enrollment, families should understand that the school they are enrolling in is for the **long-term**.
- ❖ We do have a process to request an Intra-School Transfer. The priority window to request an intra-school transfer is **January 1-February 28**. A form will be available on the DV website on or about Jan. 1. Completion of the form is not a guarantee of transfer.
- ❖ Intra-School Transfers are made based on space availability, the student's good standing, and administrator approval.
- ❖ Transfer request final decisions take place during the summer for the upcoming school year.

New Transfer Students to Da Vinci

We have a limited number of openings for new students seeking to transfer in the 10th, 11th and 12th grades.

- ✓ After an offer of conditional enrollment, applicants must submit transcripts from all prior high schools the student has attended before a final offer is made.
- ✓ Transcripts are used for grade level determination, not for admissions purposes.
- ✓ Transfer applicants who turn in a timely application are entered into the lottery in order to determine waitlist ranking. Late applications are put at the bottom of the waiting list.
- ✓ Transfer students usually receive notifications during the summer.
