

Da Vinci Connect

2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	Da Vinci Connect
Street	12501 Isis Avenue
City, State, Zip	Hawthorne, CA 90250
Phone Number	(310) 725-5800
Principal	Kaitlin Toon & Tami Christopher
Email Address	ktoon@davincischools.org, tchristopher@davincischools.org
School Website	https://dvconnect.davincischools.org/
County-District-School (CDS) Code	19768690128728

2022-23 District Contact Information

District Name	Da Vinci Connect
Phone Number	(310) 725-5800
Superintendent	Dr. Matthew Wunder
Email Address	info@davincischools.org
District Website Address	www.davincischools.org

2022-23 School Overview

Vision

A new generation of students prepared to lead, innovate, and thrive in the modern world.

Mission

Da Vinci Schools seeks to improve the quality of life for our students by cultivating a caring culture, building future-ready skills, developing meaningful partnerships, and creating impact in our work to solve complex educational problems.

- Culture: We cultivate a caring and compassionate culture that is rooted in trust, collaboration, and growth.
- Future-Ready Skills: We build future-ready skills through learn-by-doing and real-world, workforce skills.
- Partnerships: We collaborate with thought partners and share best practices beyond the Da Vinci community in our work to connect education and the workforce.
- Impact: We seek to close the opportunity and skills gaps, particularly for historically disadvantaged students.

Aspirational Values

2022-23 School Overview

At Da Vinci Schools, we aspire to the following values:

People First: We put people first in everything we do.

- Celebrations at staff and leadership meetings
- Overnighter for freshmen
- We honor students for who they are and give them opportunities to grow and succeed at all levels
- Teacher evaluation process provides several opportunities for self-reflection and voice (personal meetings with admin at the beginning, middle, and end of the year)
- Peer observations focus on positive feedback and encouragement.

Collaboration: Partnership is paramount.

- Grade-level team meetings/collaboration
- Number of Professional Development days/year
- Student group projects
- Interdisciplinary projects across subjects
- Collaboration with industry partners to identify skills needed for modern workplace, CTE advisory groups, etc.
- Collaboration with industry partners on project consults, Project Pitch Panels, etc.
- Leadership meetings and inquiry groups

Diversity, Equity, and Inclusion: We actively acknowledge our responsibility to eliminate systemic bias and exclusion, and engage in anti-racist and anti-ableist actions in the pursuit of educational equity for all students.

- Creating spaces in our organization for diverse voices to be heard, especially those of our students
- Strive to build responsive programming that meets the needs of all types of students
- Continuing to ensure ongoing professional development on implicit bias, diversity, equity, inclusion, and anti-racism, reaching every employee of Da Vinci Schools
- SPED students integrated as much as possible
- Diverse but cohesive student body
- Project-based learning and mastery-based grading are focused on reaching all students

Possibility: We strive to build a better tomorrow.

- Alternative solutions to closing opportunity and skills gaps, including solutions for college cost, debt and completion, along with workforce development
- Research & development arm of education, then share through Institute
- Instructional models to match student and family needs
- Both students and staff get to do work that matters to them (future-oriented = voice & choice to build a better tomorrow)
- We instinctively look to solve problems, develop new responsive school models when we see an unmet need (creation of DV Connect, DVX, etc.)
- We are creative, flexible, and comfortable with change -- key components in implementing new ideas that lead to a better tomorrow

Critical Success Factors

What is most vital during the next 3-5 years to fulfill our vision and achieve our mission?

- People. Because student learning is primary and must be organized, prepared and facilitated by best-in-class faculty and staff.
- Culture. Because reimagining education requires innovation, compassion, the signature programs that make us uniquely successful, and diversity, equity, and inclusion for all.
- Growth. Because with adequate funds, and a mindset of continuous improvement and adaptability, we are able to serve and prepare more students in this rapidly changing world.
- Partnerships. Because industry and higher education partners play a vital role in providing connections to the employment pipeline and in preparing students for college, career, and life.
- Operational Excellence. Because building excellent schools and programs requires effective systems that are easy to use and accessible when needed.

The Model

The Hybrid model includes 2 full days at school (Grades K-12): students participate in 2 days of project-based learning at school and three days of family facilitated off-site learning. Students attend school on either Mondays AND Thursdays OR Tuesdays AND Fridays. At-school learning is project-based. At-home learning (also called asynchronous learning,

2022-23 School Overview

homeschooling or independent study) in K-8 focuses on English Language Arts, math and extracurricular activities. Families are the primary educators on non-classroom days. A smaller group of students participate in the Collaborative Model and attend school one day per week (Wednesdays) and are invited to participate in weekly field trips. These students also engage in at-home learning and focus on English, math, social studies, science and extracurricular activities in which their parent educators are the primary educators for non-classroom days.

At Connect High School, students benefit from an on-campus community of peers and staff 2 days per week and remote learning 3 days per week. A community of caring individuals support students to become engaged, self-directed learners who develop self-efficacy, agency and purpose. As a rigorous, early college model, students begin earning college credits for free beginning in 9th grade, reducing the time and cost of attaining a college degree. We offer two unique pathways: transferable college credits via UCLA Extension and El Camino College and an Associate's and Bachelor's degree via Southern New Hampshire University. A inquiry based learning approach emphasizes the student's role in the learning process. Rather than the teacher as the only source of what students need to know, students are encouraged to explore the material, ask questions, and share ideas. Making real world connections is also at the center of everything we do. From tackling real world problems in the classroom, to gaining hands-on experience via project consults, mentorships, internships, work experience and other industry-relevant events, Da Vinci Connect high school students learn by doing in the real world. The following statistics are heartbreaking and all too factual. America is good at sending students off to college. The unfortunate reality is that for most, they earn debt but no degree. Da Vinci Connect is committed to solving the "college completion crisis" by providing students with an early college experience aimed at degree completion and changing students' college success trajectory, all all at no cost to students or families!

91% of new jobs require a Bachelor's degree
60% of students entering a 4-year university earn their BA in 6 years
15% entering a 2-year institution earn BA in 6 years
14% of low income students earn their BA in 6 years
College tuition increases by 5-8% each year

Why Homeschool for K-8?

Our families choose DV Connect and homeschooling for many, many reasons. Here are a few they report:

- * Homeschooling allows families to truly know how their children learn
- * Homeschooling provides opportunities to explore passion projects
- * DV Connect focuses on the learner as much as the learning
- * Homeschooling enables the flexibility to participate in extracurricular learning that there is often little time for when students spend 35+ hours per week at school
- * DC Connect has amazing, passionate and compassionate teachers!
- * Project-based learning is awesome!
- * Traditional schools have too much bullying and "cliqueish" behavior

K-8 Program Highlights

- * Home-School Partnership
- * Project-Based Learning
- * Personalized learning plans
- * Rich, challenging and engaging content that accommodates diverse learning styles
- * Multi-age grouping
- * Small class sizes (16-20 in elementary, 20-26 in middle school)
- * Compassionate communication
- * Hands on, Minds-on Curriculum
- * Learning-by-doing constructivist curriculum
- * Opportunities for student voice and choice and personalization to reflect students' passions, interests and needs
- * Curriculum preview meetings to address/discuss goals and ask questions
- * Credentialed, experienced and dedicated teachers
- * Distributive leadership
- * Social Emotional curriculum that fosters community and personal development
- * Building Habits of Heart and Mind
- * Community of care and collaboration
- * Public presentations of learning
- * Mastery of "essential skills"
- * 21st century learning and real-world problem solving

Connect High School Highlights

2022-23 School Overview

- * Two of Da Vinci's most innovative programs, Da Vinci Connect and Da Vinci Extension, merged into one school serving students from Kindergarten through College.
- * Launched in Fall 2020, Da Vinci Connect High combines hybrid learning (both at school and remote) with early college, social emotional learning and real world learning.
- * Students begin their college journey as 9th graders and earn a two-year or four-year degree while in high school, for free!
- * Led by credentialed, collaborative and compassionate teachers who are experts in student-centered education, students develop agency to propel them successfully into the adult world of college, career and purpose.
- * Learning-by-doing inquiry based curriculum
- * Opportunities for student voice and choice and personalization to reflect students' passions, interests and needs
- * Curriculum preview meetings to address/discuss goals and ask questions
- * Credentialed, experienced and dedicated teachers
- * Distributive leadership
- * Social Emotional curriculum that fosters community and personal development
- * Building Habits of Heart and Mind
- * Community of care and collaboration
- * Public presentations of learning
- * Mastery based grading & competency based learning
- * 21st century learning and real-world problem solving

About this School

2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students
Kindergarten	64
Grade 1	47
Grade 2	35
Grade 3	46
Grade 4	41
Grade 5	41
Grade 6	47
Grade 7	52
Grade 8	58
Grade 9	93
Grade 10	54
Grade 11	30
Grade 12	51
Total Enrollment	659

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	49.2
Male	50.8
American Indian or Alaska Native	0.2
Asian	5.9
Black or African American	17.9
Filipino	1.8
Hispanic or Latino	32.8
Native Hawaiian or Pacific Islander	0.0
Two or More Races	10.3
White	25.0
English Learners	4.2
Foster Youth	0.5
Homeless	0.0
Migrant	0.0
Socioeconomically Disadvantaged	33.8
Students with Disabilities	9.7

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	13.60	86.65	165.70	90.32	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	1.00	0.54	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	5.20	2.88	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.00	0.00	6.40	3.49	12115.80	4.41
Unknown	2.10	13.29	5.00	2.76	18854.30	6.86
Total Teaching Positions	15.80	100.00	183.50	100.00	274759.10	100.00

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	
Misassignments	0.00	
Vacant Positions	0.00	
Total Teachers Without Credentials and Misassignments	0.00	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	
Local Assignment Options	0.00	
Total Out-of-Field Teachers	0.00	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.00	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.00	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Da Vinci Schools use primarily online teaching materials and primary and secondary texts for our courses. We do not utilize textbooks, and do not have a textbook adoption list.

Year and month in which the data were collected	January 2023

Exemplary	Good	Fair	Poor
X			

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	70	N/A	67	N/A	47
Mathematics (grades 3-8 and 11)	N/A	51	N/A	47	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	322	310	96.27	3.73	69.68
Female	167	161	96.41	3.59	72.67

Students with Disabilities	42	42	100.00	0.00	42.86

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

2021-22 Career Technical Education Programs

All Da Vinci Connect students have access to a Business Management Pathway, as well as off-campus work-based learning and various other career engagement opportunities through our Real World Learning program, in addition to already participating in rigorous dual enrollment courses as part of their regular high school experience.

Da Vinci Schools offers students a real world, project based curriculum that brings industry expertise into the classroom. Local industry professionals work directly with Da Vinci students and teachers providing project planning support, mentoring, guest lecturing, co-teaching, hosting field trips, and more. Students gain additional work experience through required service learning projects in the community as well as leadership and advocacy opportunities both on and off campus. Da Vinci Schools established the Real World Learning program to bridge the gap between the classroom and the workplace. Students have completed work assignments with local business and internship partners, including Northrop Grumman, Belkin International, SpaceX, Gensler, Boeing, Kerlan-Jobe Orthopedic Clinic, and more. Our high school offers courses intended to help students prepare for the world of work. These CTE courses, formerly known as vocational education, are open to all students.

The Real World Learning program is an opportunity provided to all Da Vinci Schools students at the high school level. This is the “hands-on” component of our cornerstone college preparation and career exploration curriculum. Working with professional partners, Da Vinci students gain an understanding of the essential skills and work habits necessary for success. The goal of the Real World Learning program is to bridge the gap between the classroom and the workplace.

There are many ways in which our Community Partners participate with our schools:

- **Advisory Board Members:** Each of our CTE pathways has an Advisory Board comprised of a group of individuals whose experience and abilities represent a cross section of the businesses and industries that pertain to the CTE industry sector. These individuals help to define the knowledge and skill sets students need to know to be successful in the workplace. The professional partners also help to design the CTE program, advise on workforce needs and new and emerging occupations, identify additional resources to enrich the real world curriculum, and more.
- **Guest Speakers:** In order to add real world learning to the curriculum, Da Vinci Schools invite professionals to make classroom presentations.
- **Career Days:** Organizations participate in a career fair at Da Vinci that familiarizes students with potential careers and future employers.
- **Project Pitch Panels:** Prior to the start of each semester, teachers present their upcoming projects ideas in interdisciplinary teams to a panel of industry professionals. Industry professionals provide feedback, real world connections, and resources.
- **Offsite Teacher Professional Development at Host Organizations:** Industry partners host teachers at their workplace for a professional development day to infuse career skills into projects. Host organizations may speak to teachers about gaps they see in candidates, project workflow, and growing industries.
- **Field Trips:** A group of students visits an organization’s workplace to see individuals in various jobs and the coordination between functions.
- **Work Experience Program:** A student works unpaid in an organization to learn on-the-job skills and to provide the organization with free help. The assignment is usually two afternoons a week for eight to ten weeks.
- **Project Consults:** An organization submits a project, such as a marketing campaign geared toward youth, that students complete in a Da Vinci class or seminar, using conference calls and Google folders to receive the organization’s feedback.
- **Internship:** Da Vinci students welcome the opportunity to apply for internships, which allow more intense workplace learning experiences.
- **Other Workplace Opportunities:** At the suggestion of an organization, Da Vinci designs a program tailored to fit the organization’s need.

2021-22 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission	95.54
2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission	

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	69	67	62	59	67
Grade 7	81	88	54	83	60
Grade 9	86	81	81	82	75

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Families are key partners in Da Vinci Connect's unique collaborative learning community. To help coordinate family involvement, we established the Family Action Network (FAN). Together with Da Vinci staff, FAN supports community-building events, fundraising, school spirit, family support, and staff support. Parents are also encouraged to attend workshops with teachers and administrators, which are offered on an on-going basis. Connect K-8 staff also host Parent Educator workshops each year, which are events meant to support parent educators in their journey as homeschoolers. Connect K-8 also has a dedicated Parent Educator Support Specialist who supports and engages parents in their homeschool journey. Connect High School supports parent orientation events and "chats" with the principal and assistant principal to provide access and receive input from families. Connect teachers and administration have an "open door policy" and invite parents to stop by and share their questions/comments/concerns at any time.

The Da Vinci Connect School Site Council is a great way to get involved in important decision making for the school. The DV Connect SSC meets throughout the year and discusses the school's LCAP, Single Plan or LEA Plan related to Title I funding, general school funding and budget issues, and a variety of other important topics. Throughout the year, there will be numerous opportunities to volunteer and make a difference! Please find opportunities below where volunteers are needed on campus, and please contact us with additional ways that you may be able to contribute to our school. Feel free to reach out to the Principal, Erin D'Souza (edsouza@davincischools.org).

While there are no family volunteer hour requirements, there are expected school events that we count on parents to be a part of, including Back to School Night, Exhibition Nights, Student-Led Conferences, and Presentations of Learning. At least one family member over the age of 18 is expected to attend the following school events:

Back to School Night
Fall Exhibition
Fall Student-Led Conference
Fall Presentations of Learning
Spring Exhibition
Spring Student-Led Conference
Spring Presentations of Learning

In addition to the expected family events, there are many other opportunities to contribute to DV Connect and your student's life at high school:

Volunteer at Registration Day
Assist with the Annual Giving Campaign
Chaperone a field trip
Assist with a student club
Write a thank you email to a teacher
Take your child on an educational field trip
Take your child to see a college or university with an official admissions tour
Help make teacher welcome baskets
Attend a College Night
Help with a school dance
Help a teacher with a specific project

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019-20	School 2020-21	School 2021-22	District 2019-20	District 2020-21	District 2021-22	State 2019-20	State 2020-21	State 2021-22
Dropout Rate			5.3		0.8	1.6		8.9	7.8
Graduation Rate			10.5		89.6	93.7		84.2	87

2021-22 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2021-22 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	19	2	10.5
Female	11	2	18.2
Male	--	--	--
American Indian or Alaska Native	0	0	0.0
Asian	--	--	--
Black or African American	--	--	--

Homeless	0	0	0	0.0
Socioeconomically Disadvantaged	261	253	29	11.5
Students Receiving Migrant Education Services	0	0	0	0.0
Students with Disabilities	83	82	4	4.9

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.23	0.77	2.45
Expulsions	0.00	0.00	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Suspensions	0.00	0.00	0.04	1.41	0.20	3.17
Expulsions	0.00	0.00	0.00	0.00	0.00	0.07

2021-22 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	0.00	0.00
Female	0.00	0.00
Male	0.00	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00
Hispanic or Latino	0.00	0.00
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	0.00	0.00
White	0.00	0.00
English Learners	0.00	0.00
Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged	0.00	0.00
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	0.00	0.00

2022-23 School Safety Plan

Emergency Procedure

Our staff is trained in order to provide for the safety of students, staff, and visitors during times of emergency. Emergency preparedness includes fire, lockdown and earthquake drills that happen at regular times during the school year. All alarms are treated as real. In the event of an alarm, all staff, students, and visitors are required to complete an orderly and safe evacuation of the classrooms and buildings. Staff and students will meet in pre-assigned areas, and will remain there until all students are accounted for and instructed to return to the building or move to a safer area. In the case of a major emergency (such as a significant earthquake or fire), parents and guardians and other family members should contact the main office or go to www.davincischools.org for more information. During such an emergency, staff will be focused on ensuring that all students are safe and accounted for. As part of our Disaster Preparedness Plan, Da Vinci asks parents to supply personal use and consumable items in the event that a disaster requires that students remain at school for an extended period of time.

During the 2022-2023 year Connect staff and stakeholders completed and approved a comprehensive safe schools plan according to ed code, and in conjunction with local law enforcement and emergency personnel. The plan will be reviewed at our January 2023 School Site council meeting and approved by the Da Vinci Schools Board of Trustees on February 22, 2023.

D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2019-20 Elementary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	13	4		
1				
2				
3	19	1	1	
4				
5				
6	16	7	7	
Other	28	2	5	3

2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	18	4		
1				
2				
3				
4				
5				
6	16	4		
Other	19	9	3	

2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	21	1	2	
1				
2				
3	23	1		1
4				
5				
6	16	2	1	
Other	28	2		4

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	78			1
Mathematics	26	1	1	1
Science	79			1
Social Science				

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	22	1	1	
Mathematics				
Science	17	3	1	
Social Science				

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	16	8	1	
Mathematics	19	7	3	
Science				
Social Science	26	1	3	

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	329.5

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	2.0
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Speech/Language/Hearing Specialist	1.0
Resource Specialist (non-teaching)	
Other	6.0

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	9111	688	8423	71450
District	N/A	N/A	N/A	\$90,319
Percent Difference - School Site and District	N/A	N/A	N/A	-23.3
State	N/A	N/A	\$6,594	\$79,175
Percent Difference - School Site and State	N/A	N/A	24.4	-10.3

2021-22 Types of Services Funded

In 2021-22, Da Vinci Schools provided services that supported the educational objectives of providing an excellent education through specialized programs for career technical and college readiness programs, including extensive professional development and experiential learning opportunities (e.g. project based learning) in a small classroom environment. For those students that showed need, additional resources were utilized for additional services such as tutoring, summer school, independent study, coaching, etc.

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$53,969	\$48,503
Mid-Range Teacher Salary	\$88,902	\$74,912
Highest Teacher Salary	\$107,052	\$100,321
Average Principal Salary (Elementary)	\$128,948	\$122,160
Average Principal Salary (Middle)	\$133,424	\$127,632
Average Principal Salary (High)		\$137,578
Superintendent Salary	\$254,958	\$198,665
Percent of Budget for Teacher Salaries	36%	31%
Percent of Budget for Administrative Salaries	7%	6%

2021-22 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	0
-----------------------------------	---

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	0
Fine and Performing Arts	0
Foreign Language	0
Mathematics	0
Science	0
Social Science	0
Total AP Courses Offered Where there are student course enrollments of at least one student.	0

Professional Development

Extensive professional development is a signature practice of Da Vinci Schools. DV Connect staff meet for two full weeks in August, a week in January, 2 days at the end of the year and 5 Fridays throughout the year in order to reflect on needs and best practices, revise our practices and create unity among the staff regarding what we do and how we do it. Staff also meets for 2 hour staff meetings every Wednesday morning throughout the school year. As an entire staff, they meet to celebrate each other's work, share best practices, discuss upcoming school business, and share and reflect upon student work and performance data. Within this time, teachers also hold in grade-level meetings to plan interdisciplinary projects and events, i.e. student-led conferences, exhibitions, and portfolio defenses, and to conduct job-alike meetings (collegial coaching, vertical alignment of content). Professional Development time also is used to develop Expected Schoolwide Learning Results (Habits of Excellence and 21st century skills).

New Da Vinci high school teachers receive 25 days of paid professional development (continuing teachers receive 23 days) plus weekly planning time for collaboration with peers to ensure that every student who graduates from Da Vinci Schools is college-ready, career-prepared, and community-minded. These professional development days include visits to similar schools to gather best practices as well as training in supporting students with IEPs and 504 plans.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	22	22	23
