The parties hereto have agreed and determined that such total rental is not in excess of the fair rental value of the Project and the Sites. In making such determination, consideration has been given to the fair market value of the Project and the Sites, that title to the improvements completed and paid for by the District as to which the District shall have the right to possess, occupy and use, the uses and purposes which may be served by the Project and the Sites and the benefits therefrom which will accrue to the District and the general public, the ability of the District to make additions, and modifications and improvements to the Project and the Sites which are not inconsistent with the Master Construction Services Agreement (Exhibit "C" to Master Site Lease) and which do not interfere with the Lessor's work on the and the Sites.

For each potential incident of substantial interference, decisions to be made on i) whether or not abatement shall apply; ii) the date upon which abatement shall commence; iii) the applicable portion of Sublease Payments to be abated, and; iv) the concluding date of the particular abatement shall all be subject to determinations by the District. The amount of Sublease abatement shall be such that the Sublease Payments paid by the District during the period of Project and Sites restoration do not exceed the fair rental value of the usable portions of the Project and Sites. In the event of any damage or destruction to the Project or the Sites, this Master Sublease shall continue in full force and effect.

10.

USE OF SITES AND PROJECT.

Subject to reasonable interference from construction operations by the Lessor under the terms of the Master Construction Services Agreement during the Term of this Master Sublease, Lessor shall provide The District with quiet use and enjoyment of the Sites without a suit, or hindrance from Lessor or their assigns provided the District is in compliance with its duties under this Master Sublease. The District will not use, operate or maintain the Sites or Project improperly, carelessly, in violation of any applicable law, or in a manner contrary to that contemplated by this Master Sublease. The District shall provide all permits and licenses, if any, necessary for the operation of the Project and Sites. In addition, The District agrees to comply in all respects (including, without limitation, with respect to the time, maintenance, and operation of the Project and Sites) with the laws of all jurisdictions in which its operations involving the Project and Sites may extend and any legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Sites or the Project; provided, however, that the District may contest in good faith the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of Lessor, adversely affect the estate of Lessor in and to the Sites or the Project or its interest or rights under this Master Sublease. Lessor acknowledges that at any time during the Term of this Master Sublease, the District may access the Site to conduct the District business. Lessor acknowledges and agrees to the District's use or occupation of the Sites, so long as such use or occupation does not unreasonably interfere with the construction of the Project. Upon substantial completion of the Project or severable portions hereof, the Lessor shall provide the District with quiet use and enjoyment of the Sites without suit or hindrance from the Lessor or its assigns, subject to reasonable interference from ongoing construction operations on any remaining portion of the Sites under construction by the Lessor. Separately identifiable attachments added to the Project by the District shall remain the property of the District. At Lessor's request, the District agrees to remove the attachments and restore the Project to substantially as good a condition as when acquired and constructed, normal wear and tear excepted, in the event of failure by the District to perform its obligations hereunder.

14. **MAINTENANCE AND UTILITIES.**

Until the date of beneficial occupancy by the District of each Project and Substantial Completion of each Project as defined in the CSA, Lessor shall, in its name, contract for and pay the expenses of all utility services required for each Project. Upon beneficial occupancy of each Project and Substantial Completion of each Project, Da Vinci Schools shall, in its own name, contract for and pay the expenses of all utility services including, but not limited to, all air conditioning, heating, electrical, gas, refuse collection, water, and sewer units. Da Vinci Schools shall be responsible for all utilities and maintenance of only the portion of the Sites occupied solely or beneficially by the District during construction of the Project by Lessor. Once the Project is accepted by the District and Da Vinci Schools as finally complete, Da Vinci Schools, for the time they are licensing the CTE Studio, shall have responsibility for maintenance and repair of each Project and the Sites, except for warranty or other obligations of Lessor relating to the improvements as set forth in the Master Construction Services Agreement.

15. **TAXES.**

The District shall keep the Project and the Sites free and clear of all levies, liens, and encumbrances and shall pay all license fees, registration fees, assessments, charges, and taxes (municipal, state, and federal) if applicable, which may now or hereafter be imposed upon the ownership, leasing, renting, sale, possession, or use of the Project and the Sites, excluding, however, all taxes on or measured by Lessor's income.
