

A World Class Education, Right Here in Wiseburn

Da Vinci Schools are free public schools and operate as Wiseburn's high schools. Wiseburn residents are always guaranteed a spot at Da Vinci Schools!

We are thrilled to announce that Da Vinci Connect TK-8 has earned the state's highest honor as a 2023 California Distinguished School!

Serving close to 2,700 students from transitional kindergarten to college and beyond, Da Vinci Schools are fully accredited by the Western Association of Schools and Colleges (WASC).

Connecting Education to Employment

Too often students leave school unprepared for the workforce, and lack the practical experience and sense of self that comes from doing real-world work. At Da Vinci, students engage directly with local employers through internships, project consults, career workshops, field trips, and more.

"Interning at SpaceX helped me to understand what I want to do with my life, where I want to go, and who I want to be. After this experience, I feel like a more confident, powerful, and responsible person." – Rachel Greenberg, Class of 2018
