

About Us

Da Vinci RISE High is a free public high school dedicated to meeting the unique needs of youth navigating foster care, housing instability, probation, and other circumstances that have disrupted their academic journeys.

We reconnect students through **anytime, anywhere learning**—offering flexible, personalized pathways to success.

**WE ENROLL ALL
YEAR LONG!**

WHY RISE HIGH?

Da Vinci RISE High provides a safe, flexible, and empowering learning environment for students facing challenges that often disrupt traditional schooling.

Students gain voice and choice in their education—allowing them to pursue academic and career goals while balancing real-life responsibilities..

A FLEXIBLE, SUPPORTIVE MODEL

- Real-world, competency-based and project-based learning
- Flexible schedules to meet each student's unique needs
- College & Career Education
- Weekly 1:1 support with advisors and teachers
- Individualized Student Learning Plans
- Weekly Extracurricular & Enrichment Opportunities
- Jobs, Internships & Career-Readiness Training
- Mental Health Counseling & Other Holistic Wraparound Services
- Free Meals & Metro TAP cards
- Culturally-Relevant Curriculum & Instruction
- Co-located with two nonprofits to integrate academic and social support on-site

CAREER PATHWAYS

Beyond college prep, enrichment, and career readiness training, RISE offers specialized CTE pathways aligned with today's workforce needs.

DIGITAL MEDIA PATHWAY

- Digital Music: DJing, production, recording, engineering
- Video: Recording, editing, animation, production
- Design: Graphic and visual media
- Podcast: Audio/video production and streaming
- Photography: Digital media and archiving

MENTAL HEALTH PATHWAY

- Mental health conditions, treatment, and counseling techniques
- Crisis intervention, wellness, ethics, and cultural considerations
- Preparing for careers in counseling, social work, and psychology
